

# Canadian Birkebeiner 2021

## 55 km Events

The 55 km event starts and finishes at Islet Lake Staging Area, and follows an out-and-back loop to Waskahegan. On returning to the Elk Push Shelter, skiers will then complete a full loop of Islet Lake/Grey Alley before finishing along east side of Islet Lake. This out-and-back route is primarily in aspen forest and small lakes with gently rolling terrain.
