November Early Bird Closes Soon

Don't get left out in the cold this winter - register now for the 2024 Canadian Birkie Ski Festival and beat the snow! Take advantage of our Early Bird registration fees before they go up on November 30, 2023 at Midnight, MST. But wait, there's more! We're excited to announce our new Birkie Festival Pass, which can save you up to $45 on select Birkie products.

For more information and to sign up, see our Registration Page. Don't forget to buy Secure Your Spot Insurance. If we cancel the ski event due to extreme weather or unacceptable snow conditions, your registration will be transferred to the same event in 2025.

New Fee Takes Effect December 1, 2023

The Birkie has recently learned that Nordiq Canada has imposed a $3 per participant fee on events such as Birkie Saturday and the Full Moon Birkie. The board is in communications with Nordiq Canada, but this fee is required to insure these events.

Because the fee was announced after Birkie Registration opened, the Board has authorized a 'Fee Holiday' until November 30, 2023. If you sign up for the early bird registration, the Birkie will pay the $3. As of

December 1, 2023, this will be added on in the fee section of the registration form. If you purchase a Festival Pass prior to December 31, 2023, the Fee Holiday will still apply.

Thank you for your patience and understanding in this matter.

Safety & The Volunteer Webinar

The Birkie takes the safety of its skiers, volunteers, and staff very seriously. This work is being show-cased in an upcoming webinar hosted by Alberta's Charted Professional Accountants on the topic of best practice of non-profits and Occupational, Health, and Safety legislation. Many people who Birkie are involved in other volunteer endeavors. If this

is you, consider registering for this free session and learn how OHS compliance is not an obligation but is a way to create a better volunteer experience.
