

Canadian Birkebeiner 2021 55 km Events

The 55 km event starts and finishes at Islet Lake Staging Area, and follows an out-and-back loop to Waskahegan. On returning to the Elk Push Shelter, skiers will then complete a shorter second loop (shown in red) back up Lost Lake, down Detour, along the south side fence-line trails, before finishing by returning along Grey Alley and Highline. This out-and-back route is primarily in aspen forest and small lakes with gently rolling terrain.
